

FLETCHER CREEK IMPROVEMENT DISTRICT

**BYLAW NO. 7
CONNECTION CHARGE BYLAW**

A bylaw for fixing the connection charge payable to the District and the time of payment thereof.

The Trustees of Fletcher Creek Improvement District ENACT AS FOLLOWS:

1. Definitions:

A. Service Connection:

Shall mean the pipeline installation from the District's main to the property line of the property to be served, when such property line coincides with the established road allowance.

B. Service Pipe:

Shall mean the pipeline installation from the curb stop at the property line to the premises of the owner.

2. Application for Water:

(a) Application for water shall be made in writing to the Trustees, delivered to the Secretary of the District, and shall be in such form as the Trustees may from time to time prescribe, and shall be signed by the applicant.

(b) Each application for water shall be accompanied by a deposit toward total cost of the connection as prescribed by the Trustees.

(c) No water shall be supplied upon any application until all fees and charges for water connection, meter installation or other monies required by the Trustees to be paid, have been paid in full or until alternative arrangements have been made and approved by resolution of the Trustees.

3. Connection Charge:

Every applicant for a connection to the works shall pay to the District the total cost of labour, materials, permits and any other items required to install the service connection, plus a 20% inspection and administration charge.

4. The Trustees may, at their discretion and subject to the prior payment of the above charges, require the property owner or his representative to carry out the installation of the service connection complete or any part thereof.

5. All service connections and service pipelines installed under this bylaw shall conform to such specifications and shall incorporate such materials as shall be determined and approved by the Distict or their representative.
6. This bylaw may be cited as the "Connection Charge Bylaw".
