## Water Treatment Project Report

Dec 2018

Submitted by: Kevin Jersey

### Report:

1. Phase 1 – Data Gathering:

Data Gathering is completed and invoiced paid Oct 25, 2018

2. Phase 2 - Design:

The design stage has commenced with site plan, flow data analysis being conducted. A technical memo is anticipated shortly.

AquaDiversities is aware of our AGM scheduled for April. They are anticipating being able to make a presentation, including budget and cost estimates, to the board in April. If this is not in time for our AGM, and if costs are more than our funds, then a Special General Meeting may be required.

### Board Action Required:

There is no action required from the Board at this time.
