WHEREAS the fee for the turning off or on of water service was waived, the reasonableness of that decision was reviewed. The question of whether to reinstate the fee for water shut-off/turn-on was considered. The matter was put before the Board of Trustees at a meeting held on the 9th day of November, 2021:

AND WHEREAS the Trustees deem it advisable to reinstate a fee for turning off or on water service and set the fee for doing so at \$30.00.

THEREFORE, BE IT RESOLVED that That the District's Bylaw No. 36 being the "Water Distribution & Regulation Bylaw, 2000" passed by the Trustees on the 30th day of March, 2000 and registered by the Deputy Inspector of Municipalities on the 21st day of November, 2000 hereby is amended as follows :

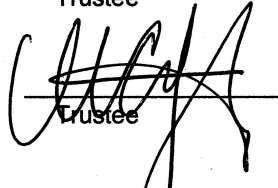

8. TURN OFF AND TURN ON

Customers who wish to have their water service discontinued shall pay the prescribed turn-off charge of \$30.00 and give the Trustees fourteen (14) days notice. Before the service is again renewed, the tenant or occupant shall pay to the District the prescribed turn-on charge of \$30.00 for the restart of service.
